

# **Washoe Little League CODE OF CONDUCT**

## **POLICY STATEMENT**

The goal of Washoe Little League is to provide a rewarding youth baseball program, while promoting positive life skills and strong character development. Our core values are fairness, respect, responsibility, trustworthiness and good citizenship. We strive for the highest standards of sportsmanship as detailed in the following Code of Conduct. Every participant — whether player, coach, parent or spectator — has a responsibility to comply with and enforce the provisions of the Code.

To accomplish these goals, each player, coach and parent (or guardian) must sign the Code of Conduct before any player can receive his uniform or otherwise participate in the program. By signing the Code of Conduct, each participant agrees to comply with the Code and acknowledges that any failure to comply with any provision of the Code could lead to disciplinary action.

## Washoe Little League MANAGER/COACH'S CODE OF CONDUCT

Washoe Little League expects coaches to behave in a sportsmanlike manner. The following list represents a limited set of guidelines for conduct.

I will be respectful and courteous to umpires, coaches, players, parents and fans;

I will not argue with, taunt or ridicule any umpire, coach, player, or fan;

I will not use abusive or vulgar language;

I will not engage in any disruptive or inappropriate behavior;

I will not engage in or encourage any practice that would endanger the well-being of any other person.

I understand that the WLL has told its umpires that they are not to reverse any judgment call (e.g., ball or strike, safe or out, fair or foul) based on arguments made by coaches or fans.

As a **WLL Coach**, I affirm that I have read, understand and agree to comply with the **WLL Code of Conduct**. I understand that the failure to comply with any provision of the Code of Conduct may lead to disciplinary action, including suspensions or expulsion from the program.
